CITY OF LEBANON
ORDINANCE #2026-09

AN ORDINANCE TO AMEND Chapter 97, Landfill Regulations, of the Code of the City of Lebanon, Section 97-4, Definitions; Section 97-6, Permits; Section 97-8, Fees; and Appendix A, Fee Schedule.

BE IT ORDAINED, by the City Council of the City of Lebanon, as follows:

Section 1:

The Code of the City of Lebanon is hereby amended to revise Chapter 97, Landfill Regulations, §97-4, Definitions, as follows:

LANDFILL PUNCH CARDS — Form of currency utilized at the Solid Waste Facility for noncommercial users to pay for disposal of trash and recycling. (NOTE: Landfill Punch Cards will be transitioned in as the primary currency method for all customers during 2027.

MUNICIPAL PAY-AS-YOU-THROW (PAYT) TRASH BAGS — Bags for purchase at local retailers customized for and authorized by the City of Lebanon for disposal of residential bagged refuse. Lebanon residents may use either PAYT Trash Bags or punch cards for this purpose. (NOTE: Municipal PAYT Trash Bags will be phased out during 2027. Once all PAYT bags are depleted, all customers will use the Landfill Punch Card as the primary currency for disposal at the Lebanon Solid Waste Facility.)

Section 2:

The Code of the City of Lebanon is hereby amended to revise Chapter 97, Landfill Regulations, §97-6, Permits, as follows:

Amend Subsection §97-6.E:

E. Implementation Provision. The effective date of this Section will be upon passage by the City Council. Implementation of requirements for updated Solid Waste Facility User Permits will be on-going until December 31, 2023, after which date all users will be required to have and display a valid permit issued through the EB2gov Software platform or other permitting platform as utilized by the City for entry into the Solid Waste Facility.

Section 3:

The Code of the City of Lebanon is hereby amended to revise Chapter 97, Landfill Regulations, §97-8, Fees, as follows:

Amend Subsection §97-8:

F. Mixed loads:
   (1) Mixed loads will be assessed the tipping fee associated with the highest rate of the type of materials in the load. For example: A load of residential refuse and bulky waste is received. The load will be charged at the tipping fee associated with bulky waste disposal.

A load of MSW mixed with C&D will be charged at the C&D tipping rate.

(2) Customers are required to deliver loads separated to reduce handling and disposal costs. Commercial mixed loads containing C&D debris will be charged at the C&D tipping rate.

H. Permit fees.

(1) Residential.

(a) Ten dollars annually for Lebanon residents; $32.50 annually for non-Lebanon residents.
