Cell:

Attn: Selectboard

e-mail: art.lewin@pomfretvt.us

We hereby submit specifications and estimates for:

Pave a 2.5 mile section of Pomfret Road, Pomfret, Vt

Pave from Bartlett Road, Easterly for 2.5 miles up to and beyond Johnson Road including two sideroads, Galaxy and Webster and the widened area at the Town office.

Our paving estimate includes:

-total area is 13,200' x 22', and two sideroads. Total area is 32,623 sy

-mill two end joints

-sweep prior to paving

-apply RS-1 emulsion tack coat

-provide traffic control

-shim the entire length and width of roadway and sideroads at an average of 1" with 3/8", Vt Type IV

-overlay the entire length and width of roadway at 3/4" with 3/8" Vt Type IV

Total Price: 3243 ton at \$61.72/ton = \$200,157.96

Install Shoulder Gravels as an option, per request:

-total length of project, both sides is 26,400 lf

-supply and install shoulder gravel, 3/4" crushed ledge, at 18" at 2" compacted.

-install with a shoulder widener, power broom and compact

Total Price: install shoulder gravel at \$.50/lf at 26,400 lf = \$13,200.00

Warranty:

Blaktop Inc will warranty their materials and workmanship for one year upon completion of the proposed work described.

Note:

Prices valid for the 2016 paving season

Terms: Full payment due within 30 days of invoice.

Submitted by: Bill Watson

Acceptance of Proposal:

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work specified. Payment will be made as outlined in the terms above. This proposal becomes invalid and may be withdrawn if not accepted within 60 days.

PROPOSAL

Proposal submitted to: Date: 05/02/16
Town of Pomfret, Vt
5218 Pomfret Road
North Pomfret, Vt 05053

Job Name: Pave the Town Office Parking Lot
Job Locations: Town Office, Pomfret, Vt
Phone: 802-457-2767
Fax:
Cell:
Attn: Art Lewin

e-mail: art.lewin@pomfretvt.us

We hereby submit specifications and estimates for:

Scope of Work:

Grade and Pave the Town Offices' Parking Lot at 5218 Pomfret Road, Pomfret, Vt

The Town will remove topsoil around the entrances to the garage area

Blaktop will grade and pave, to include:

Grade and compact the existing lot

Add gravel if necessary to the area at the entrance to the garages

- The cost of 20 ton of ¾" twinpack has been added to the estimate

Mill a keyway at the entrance to connect the roadway and driveway wearing course

Maintain the stone drainage swale which is at the drip line of the roof...do not pave over this area

Pave a 2" base course of ¾" Vt Type II over approximately 380 sy

Pave a 1" wearing course of 3/8" Vt Type IV over approximately 475 sy (includes the existing apron)

Total Price: \$11,375.00

Note: Paving Prices contained in this proposal will be adjusted, if necessary, in relation to changes in asphalt cement costs at the time the paving is done. If adjustment is necessary, the customer will be notified before the work is done. The paving prices contained in this proposal are based on the current month Agency of Transportation Monthly Average Posted Price for Asphalt Cement.

Prices valid for the 2016 paving season

Terms: Full payment due within 30 days of invoice.

F. Warranties

All warranties expressed or implied that are provided by each manufacturer will be in writing. Options for extended warranties should be provided.

A detailed list of all warranties and their provisions shall be listed in the bidder's specifications.

G. Proposal Price

Each bidder's proposal must include all items required in the Town of Pomfret specifications. Any bidder who offers uncalled for "option prices" for an item included in these specifications, which does specifically require option pricing will have their proposal rejected without further cause.

H. Exceptions

The following specifications are considered minimum.

The Purchaser reserves the right to reject any or all bid proposals it deems most suitable to its needs. The Purchaser does not, in any way, obligate itself to accept the lowest or any bid. Any bidder taking "total exception" to the complete specification or a major element will result in immediate rejection of the proposal.

I. Minimum Specifications

1. Location: Pomfret Road from Bartlett Brook Road to Johnson Road (approx. 2.5 miles);
2. Asphalt emulsion Type IV, 1 inch shim, 3/4 inch overlay;
3. Traffic control; and
4. Shoulder fill, at an optional price.

J. Compliance with Instructions

I have read the above Specification Instructions in its entirety and fully understand all the requirements requested by the Town of Pomfret, Vermont.
