NOTICE IS HEREBY MADE that the Selectboard shall gather for an informational meeting on Tuesday, September 20, 2016 at 7:15 p.m. at the Town Hall, 5233 Pomfret Road, Pomfret, Vermont for the following purpose: John Wood's presentation of the Pomfret Fire Services Study that was commissioned by the Pomfret Selectboard.

John interviewed the Selectboard members and other town officers and employees, the Pomfret-Teago Fire Chief and other fire department members, as well as taxpayers who expressed an interest in being interviewed. He also toured our fire department facilities and took note of the current fire equipment. John will deliver his report to the Selectboard and give a presentation of his findings and recommendations in an uninterrupted verbal format. After the delivery of the report, Chief Rice and the Selectboard will be afforded the opportunity to ask questions. At the conclusion, the report will be posted on the Town web site as soon as possible. All residents are strongly encouraged to attend this presentation. It is the hope of your Selectboard that this study will be the first step in addressing the fire fighting needs of our town and put us on the path to form a comprehensive plan for the near future.
