Dear Potential Bidders:

The Town of Pomfret received an inquiry for which the following responses have been provided:

- \* We'd like bidders to include the shoulder gravel as a separate price and optional for the town.
- \* Standard paving width will be described in subsequent email.
- \* Budget for project will be finalized once bids are received.
- \* RFP has been posted on Vermont bid system and provided to all known paving companies serving this area.
- \* Bids will be awarded based upon numerous factors (as described in the RFP) including price per ton.

I'll share additional information as it becomes available.

This information is being shared to other bidders as well.
