Call To Order/Agenda Changes/Public Comment:

Chairman Emmons convened the meeting at 7:10p.m. A quorum was declared.

Nelson Lamson moved, Orson St. John seconded to approve the draft minutes of May 8, 2017 with the correction of proposed ZA Job Description and the correction on the date for the May meeting. The board unanimously approved.

We welcomed Ann and Cy and look forward to discussions as to the role of a PC member and their interest as it relates to the commission.

It was a surprise to receive Preston's resignation... After our last meeting Preston expressed his interest in continuing to serve Pomfret and it was our hope he would still be available for consideration. We appreciate Preston's sincere dedication to Pomfret over the 9 years and wish him future success.

There has been some initial interest in the ZA job. John will see when a meeting time will work and warn the meeting(s).

We continued our work on the Pomfret Zoning.

Meeting was adjourned at 9:00 p.m.
