Billy brought up the issue neighbors (4) solar panels in Nancy Griffin's view.. She put the issue on the Pomfret List. John mentioned Nancy responded to email exchange that a February meeting with the landowner and hope neighbor would move them to a different location on their land . The PC decided this did not fall into the Public Service review or town regulations other than set back. At 7:30 Nancy Griffin came to further explain she mentioned Basin Harbor solar resistance Nancy hopes her neighbors will install in the back of their land. If she is not successful will get back on the listserve and solicit help from neighbors.

Scott reviewed all his draft changes along with suggestions from Orson and John. Discussion and varied views were expressed. John and Orson will work on some language on some issues and submit to Scott. It was discussed to hopefully in near future pass on to the SB. Phil mentioned at this time SB is tied up in budget discussion but may be able to deal with the Town Plan thereafter. .
