

URGENT NEED FOR **BLOOD DONORS** IN VERMONT AND NEW ENGLAND

Dear American Red Cross Volunteers,

The American Red Cross needs your help. Blood donations through the Red Cross are down; here in Northern New England (Vermont, New Hampshire and Maine) donations are down approximately 11 percent resulting in a shortfall of 3,785 units of lifesaving blood.

If you donated blood earlier this summer, you may be eligible to donate again. Please visit your local Red Cross Blood Donation Center today call 1-800-RED CROSS or visit www.redcrossblood.org to find a blood drive near you.

Every day this summer is a chance to give hope to patients in need; make an appointment today to give the *gift of life*. Your donation can help save up to three lives.

Thank you for supporting the Red Cross!

URGENT
need for donors

About
80,000
fewer donations than expected since May.

We're half way through
the summer, but you
can still help.

2 extra donors
per drive will
ensure blood
products are
available for
patients this
summer.
