Introduction

The Town of Pomfret, Vermont, (“Town”) is accepting proposals for written quotes for the ordering, from time to time, and purchasing of road salt to be delivered to the Pomfret Town Garage and used by the Town's road crew for snow and ice traction control primarily on its class 2 paved roads. **In prior years, the Town has purchased about 1,000 tons and is expected to purchase a similar amount during the 2017-2018 snow and ice season. If prices are proposed in cubic yards, then the estimated price in tonnage should also be included in the bid.**

Although the Town is not seeking proposals for a guaranteed bulk purchase for a specific amount of material, it is willing to consider exceptions to the bid which requires purchasing a specific quantity. Please note in any submitted proposal whether or not the town is required to purchase a specific quantity of material. If not, please note whether or not availability of said materials is guaranteed.

The Town is exempt from the Vermont State Sales Tax.

All pricing shall be good through the 2017-2018 snow and ice season.
