The Pomfret Planning Commission was called to order at 7:05pm.

Motion made by Phil and Seconded by Orson to Approve the minutes of Nov 24, 2014 discussion, motion approved.

Scott reviewed all his draft changes to the Land Use and Energy sections of the draft Town Plan. We discussed all the suggested changes... Scott will get out a clean copy for us to review... Estimated time frame 1 week. Orson gave recognition for all of Scotts work.

The draft town plan reflects changes suggested by Two Rivers. Changes were made to the Energy Section especially as it pertains to renewable energy. There was some significant rewrite of the land use section.

Upon receipt from Scott it was suggested the planning commission members review the draft town plan as well as the 2007 town plan to assure any areas of importance were not left behind. It would be helpful if members could email to the board those areas of concern or change so we can all review the input before our next meeting.

Next meeting is January 10, 2015. The regular scheduled meeting on December 22, 2014 is cancelled.

Meeting adjourned at 9:07 pm.

Submitted,
John Moore
