

Minutes of Cemetery Commission Meeting
June 22, 2022

Present at the Pomfret Town Hall were Ona Chase, Bruce Tuthill, and Susan Burgess

The meeting was called to order at 10:00 a.m.
The minutes of previous meeting were accepted as submitted.

Upkeep and maintenance of the cemeteries was discussed. We will work with the landscaper to ensure that work is done according to our contract and to the reasonable satisfaction of townspeople.

Jordan Camp of Cabot Funeral Home in Woodstock is beginning to repair headstones in the three Pomfret cemeteries, beginning with Bunker Hill. We have been in contact with Springfield Fence Company concerning the repair of gates at Burns Cemetery, and requested that they provide an estimate for the project.

The commissioners agreed to update the cemetery maps to designate location of veterans' gravesites at our next meeting, and to review potential acquisition of cemetery expansion land.

Meeting was adjourned at 10:50.

Respectfully submitted by Susan Burgess, secretary
