for the purpose of _____ (describe specific purpose).

The crossing will be approximately _____ (feet) from the intersection of _____ (nearest intersection).

(PROVIDE DETAILED SKETCH OF CROSSING LOCATION ABOVE)

The following standards, restrictions and conditions shall apply to all crossings of a town right-of-way unless waived in writing:

1. Applicant shall contact Dig Safe at 811 at least 48 hours before, but not more than 30 days before, starting excavation activities at any location.
2. All work in the right-of-way shall be performed during daylight hours and shall cease on weekends, holidays, during severe weather events, and between December 1 and April 15, maintenance and emergency repairs excepted.
3. Applicant shall be responsible for all damages to persons, public or private utilities and property resulting from any work done under this permit, even if the Applicant's contractor performs the work.
4. Applicant must comply with all federal and state statutes or regulations and all local ordinances controlling occupancy of public highways. In the event of a conflict, the more restrictive provision shall apply.
5. All excavation and backfilling shall be done under the supervision and to the specification of the town's designated agent.
6. Applicant shall erect and maintain barriers needed to protect the traveling public. The barriers shall be properly lighted at night and must be MUTCD (Manual on Uniform Traffic Control Devices) compliant.
7. Applicant shall do no work nor place any structures or obstacles in the right-of-way, except as authorized by this permit.
8. Applicant shall be responsible to rebuild, repair, restore and make good all injuries or damage to any portion of the right-of-way caused by the permitted work, for a minimum of eighteen (18) months after final inspection by the Town.
