

Cemetery Commission Meeting
Nov. 1, 2023
Teago General Store

The meeting was called to order at 9:30 by Ona Chase, Chair. Also present were Bruce Tuthill and Susan Burgess

We discussed interments that we had assisted with over the past season, and noted that the Kruse family installed a granite bench at Burns Cemetery.

Maintenance issues:

The roadway at Hewittville from this summer's erosion is in need of repair. Ground has settled at several cemeteries and needs to be leveled. Ona will enlist help for these problems.

We agreed to publish a call for mowing contract bids. Bruce will make arrangements.

A schedule and cost estimate for tree trimming has been organized by Bruce.

We agreed to request a level appropriation of \$12,500 for FY2025 and Susan will present this to the Select Board for their budget planning. She will also submit our report for 2023 Town Report to the auditors.

Meeting adjourned at 10:25. Respectfully submitted by Susan Burgess, Secretary
