Cemetery minutes
December 4, 2017

Meeting was called to order at 9:05 A.M.

Present

Ona Chase, Bruce Tuthill, and Diana Tuthill

The meeting started with the unanimous acceptance of a new Pomfret Cemetery Maintenance Contract. An invitation to bid will be posted for three weeks in The Valley News, The Vermont Standard and The Rutland Herald in March. By reaching out to a larger area we hope to draw more individuals interest to enter a bid for the maintenance of Pomfrets three cemetery's.

There will be a meeting on April 10, 2018 at 10 AM at the town clerks office to open the bids. An invitation to join the meeting will be posted at the appropriate time.

We have received many compliments on the new signs at Bunker Hill and Burns Cemetery.

There was a brief discussion regarding the beautification of Bunker Hill Cemetery. The loss of the large maple tree was a sad but necessary move. Moving forward we are thinking of how to best utilize that area.

Meeting was adjourned at 9:45 AM.

Respectfully submitted,

————— Ona Chase, Chairman

----- Diana Tuthill, Secretary

----- Bruce Tuthill, Commissioner
