SELECTBOARD REPORT

Last year was a busy one for the Selectboard and we welcome this opportunity to discuss the highlights.

Meeting Format. 2023 began with COVID-19 still a public health concern. For this reason we held our town meeting via Australian ballot, as we did in 2021 and 2022. Ballots were mailed to all active voters and participation was extraordinarily high for a local election, at nearly 50%. Voters approved the town budget and several social services appropriations. The Selectboard continues to hold hybrid meetings, resulting in a welcome increase in turnout and participation in our proceedings. You can find dial-in instructions for our meetings at pomfretvt.us/index.php/boar/sel.

The Future of Town Meeting. Although the tradition of in-person town meeting is welcomed by many as an opportunity to see neighbors and debate important local issues face-to-face, Australian balloting during COVID-19 saw significantly increased voter participation. With the emergency public health law allowing towns temporarily to vote by Australian ballot expected to expire soon, we felt it was appropriate to allow voters an opportunity to decide whether to adopt this voting method permanently.

We called a special town meeting at The Prosper Valley School in late May to decide this question. With sixty-five voters present, Australian balloting was adopted for town officer elections, budget articles and other public questions. An informational meeting will be held before Town Meeting Day. Our goal is make this a forum for discussion and community-building, much like traditional town meeting has been.

Expanded Zoning Board of Adjustment. As the pressure and complexity of proposed development continues to increase, our Zoning Board of Adjustment has been busy working with landowners to ensure responsible development in accordance with our zoning ordinance and flood hazard rules. To help the Zoning Board manage its workload, we increased its size from five to seven members.

We thank those who volunteered to fill the additional positions. They join many other neighbors and friends who volunteer their time to ensure Pomfret runs smoothly and remains an enviable place to live. See the inside back cover of this town report for the full list of local volunteers.

Highway and Building Investments. Our highway team continued renovation of the town garage to include a new generator and underground utilities, allowing the building to remain functional during power outages and other emergencies, and enabling the team to serve our town even in difficult conditions. We acquired a new Ford F-550 with dump body, plow and wing to replace our aging F-550.

Exterior repair and drainage work on the historic brick building next to the town office was completed last summer. We were awarded a Municipal Energy Resilience Program grant to fund an energy audit and consulting services to review energy resilience and accessibility options for the Town Hall. We also created a Town Hall Revitalization Committee to engage the community on future uses of the building.

Ordinance and Policy Updates. In June we revised our Highway Ordinance to clarify when a permit is needed to alter an existing driveway where it enters onto a town road, and to relax the sight distance requirements for new driveways on our back roads.

In July we adopted a Declaration of Inclusion confirming Pomfret as a place where all are welcome and affirming our commitment to fair treatment of all in our community. Similar declarations have been adopted by 130 other Vermont towns and follows a proclamation by Governor Scott in May 2021.

In August we revised our Traffic and Parking Ordinance to create a new speed limit along Stage Road and to expand the 25 mph zone in South Pomfret village. We continue to conduct vehicular speed studies to ensure our roads are properly posted, and work with the Windsor County Sheriff to patrol regularly and address non-emergency law enforcement issues. As always, dial 911 for emergencies.

We approved several financial policies throughout the year to improve our accounting and budgeting practices. We thank our Financial Management Committee for their continuing effort to ensure the town's financial procedures remain clear and robust. We also created or streamlined several permit forms to help applicants obtain the information and approvals they need. You can find our ordinances and policies at pomfretvt.us/index.php/documents.

Foliage Traffic Management. Foliage traffic management continues to present public safety and quality of life challenges, particularly along the lower portion of Cloudland Road. After making the road one-way during the 2022 fall foliage season with mixed results, we decided last year to close a portion of Cloudland Road entirely to non-local traffic.

The temporary closure had its intended effect, eliminating gridlock and improving quality of life. We thank the community for its patience during the traffic pattern change, and for its discretion as the national news media descended upon our small town to report on a basic local government function.

Grant Funding Opportunities. The Selectboard continues to leverage outside funding to complete planning and maintenance work that will benefit our community for years to come. We anticipate replacing additional culverts this year and have been awarded a Structures Program grant to defray the cost of replacing dual culverts on Wild Apple Road, scheduled for this summer. We were unable to pave Stage Road as planned last year due to persistent wet weather. That project will be completed this year. We also received Grants in Aid funding to complete ditching work on Webster Hill Road.

Town plan and local hazard mitigation plan updates will be completed this year. A study of vehicular and pedestrian safety concerns in South Pomfret funded by a Bicycle and Pedestrian Study Grant has been completed. We will seek additional grant funding to implement some of the study suggestions.

ARPA Funding Opportunities. Pomfret received nearly \$255,000 from the Coronavirus State and Local Fiscal Recovery Fund established by the American Rescue Plan Act of 2021 (ARPA). These funds are intended to promote resiliency in public health and infrastructure. To these ends, we used ARPA funds to purchase generators for the town garage and the Fire Department's North Pomfret Station; acquire hybrid meeting equipment to encourage participation in town government meetings; and make the town office entryway more accessible. We continue exploring ways to use remaining ARPA funds to promote our community's long term health and welfare.

Property Assessment and Taxation. The town-wide property reappraisal was completed last year, with new values mailed to taxpayers in June. Although the average assessment increased (primarily a result of rising home sale prices across the region), we anticipate the town tax rate will decrease as a result.

We commend our Board of Listers for their excellent work during this process. Property valuation is a complex topic that can have deeply personal financial impacts. Following dozens of informal Q&A sessions and formal grievance hearings, none of the new valuations were appealed.

We continue our concerted effort to collect delinquent taxes, ideally via payment agreements, but also through tax sales if necessary. There was one tax sale last year, the first in several years. Collection of delinquent taxes reduces the burden on taxpayers who pay their bills on time. After peaking above \$280,000 in 2020, the delinquent and late tax roll declined to only about \$75,000 at the end of 2023.

Municipal Administration. As municipal government becomes more complex—even for small towns like ours—the Selectboard is considering whether to hire an administrator to handle day-to-day Selectboard functions like grant writing, contract negotiation and local-state government relations. These conversations are ongoing and your input would be greatly appreciated.

Selectboard meetings are open to the public and we thank those who participate and offer their opinions and guidance. You can find our contact information at pomfretvt.us/index.php/boar/sel. We look forward to seeing you at our meetings and around town.

FISCAL YEAR 2025 BUDGET NARRATIVE

The combined Fiscal Year 2025 Town and Highway budget of \$[] (including voted appropriations) is []% [higher] than Fiscal Year 2024's total budget of \$1,837,273. The Fiscal Year 2025 budget represents an [increase] compared to Fiscal Year 2024 (for the reasons explained below), and is []% [above] the average combined budget for the last five years (Fiscal Years 2021 through 2025). If the voters approve all voted appropriations and re-appropriate a portion of the prior year's unassigned fund General Fund balance to offset current year taxes to be raised, the amount to be raised in taxes for Fiscal Year 2025 will be []% [higher] than in Fiscal Year 2024 (\$[] versus \$1,127,488).

The General Fund finished Fiscal Year 2023 with an unassigned fund balance (sometimes referred to as a "surplus") of \$197,862 and the Highway Fund finished Fiscal Year 2023 with an unassigned fund balance of minus \$20,050. The unassigned fund balance in the General Fund was budgeted to end Fiscal Year 2023 at \$96,916. The significantly larger than budgeted balance arose from \$92,576 in greater than budgeted revenues and \$8,370 in lower than budgeted expenditures. The unassigned fund balance in the Highway Fund (a negative amount) arose from \$6,742 in lower than budgeted revenues and \$16,613 in greater than budgeted expenditures. As required by the Rainy Day Reserve Funds Policy, \$3,305 was transferred from the Highway Rainy Day Reserve Fund to the Highway Fund at the end of Fiscal Year 2023 to offset a portion of the negative balance.

The primary drivers of the greater than budgeted General Fund revenue were collections of delinquent taxes and related interest and late payment penalties. These are not anticipated to be significant revenue sources going forward as recent collection efforts have substantially reduced the amount of delinquent taxes now outstanding. There were no significant drivers of the marginally greater than budgeted General Fund expenses. Likewise, there were no significant drivers of the marginally lower than budgeted Highway Fund revenues. The primary drivers of the greater than budgeted Highway Fund expenses were payroll and related mandatory expenditures (the Town's share of the Social Security and Medicare payroll tax, for example).

Including all voted appropriations, the proposed Fiscal Year 2025 General Fund budget is []% [higher] than the Fiscal Year 2024 budget (\$[] versus \$580,200) and []% [above] the average General Fund budget for the last five years. The primary drivers of this year-over-year [increase are generally increasing costs in the current high inflation macroeconomic climate, and specifically cost of living adjustments to staff salaries, fire department protective equipment, and law enforcement fees]¹.

To offset these increased costs, the Selectboard proposes to apply \$[] of the Fiscal Year 2023 unassigned General Fund balance as revenue in Fiscal Year 2025. [This is only a portion of the \$197,862 General Fund balance available to reduce current taxes to be raised. Due to the unprecedented size of the current fund balance and the likelihood that future fund balances will be significantly lower, the Selectboard believes it is prudent to retain some of the available fund balance in order to reduce the likelihood that significant municipal tax increases (and/or expenditure reductions) will be necessary to replace this non-recurring revenue source in future years.]²

¹ **NTD:** To list FY 2025 budgeted General Fund expenditure items varying significantly from FY 2024.

² **Note to Selectboard:** To decide whether to assign all (or a portion of) the General Fund balance to reduce current taxes to be raised. Last year the Selectboard assigned 60% of the available General Fund balance. In prior years, the Selectboard assigned 100% of the amount available.

The proposed Fiscal Year 2025 Highway Fund budget is []% [higher] than the Fiscal Year 2024 budget (\$[] versus \$1,257,073) and []% [above] the average Highway Fund budget for the last five years. The primary drivers of this year-over-year [increase are generally increasing costs in the current high inflation macroeconomic climate, and specifically cost of living adjustments to Highway Team salaries, diesel costs, and increased funding of the highway vehicle reserve. These increases are offset in part by a reduction in the budget for salt purchases]³.

* * * * *

[Macroeconomic conditions during the last three years have been exceptionally difficult for everyone on a budget, including rural towns like Pomfret. Prices have risen at their fastest pace in forty years, particularly in nondiscretionary areas such as labor, fuel and equipment. Despite these challenges, the proposed Fiscal Year 2025 budget entails only a []% increase in spending, substantially less than the inflation rate in 2023 (as measured by changes in the CPI).

This did not happen by accident. We thank each department, officer, appointee and board that draws tax dollars for carefully reviewing their needs and making difficult choices to create a responsible budget that serves the town and the taxpayers.]⁴

Town of Pomfret Selectboard
Draft Meeting Minutes
January 3, 2024

Present: John Peters, Benjamin Brickner, Steve Chamberlin, Meg Emmons, Emily Grube

Public: Becky Fielder, Ellen DesMeules, Neil Lamson, Ogden Hunnewell

1. John Called the meeting to order at 6:30 pm
2. Executive Session
 - a. Ben moved and Emily seconded that the Selectboard enter executive session pursuant to 1 V.S.A. 313(a)(1)(B) to discuss employee agreements, the premature general public knowledge of which would clearly place the Selectboard or a person involved at a substantial disadvantage. Unanimous. The Selectboard entered executive session at 6:31 pm.
 - b. The Selectboard exited executive session at 7:01 pm, with no decisions having been made therein.
3. Agenda Review – Ben moved and Emily seconded deletion of Capital Program and Budget Policy and Procedure, Town Garage Boiler Replacement, Road Crew Communications Devices, and Wild Apple Culverts Replacement RFP. Unanimous.
4. Road Foreman’s Report –Before the meeting Jim reported to John that the materials budget is nearly exhausted due to the winter mud seasons. It was discussed the amounts spent on materials during the year that are expected to be reimbursed (i.e., by FEMA) will be added back to the materials budget. Jim would like to post a sign at the Town Hall that no overnight parking is permitted. Emily noted that some overnight parking may be by residents unable to reach their homes to road conditions. A message will be posted to the list serve that parking for this purpose is allowed at the Brick Building. The crew will continue roadside tree cutting and removal of dead trees as conditions allow. The crew is working on repairing Sessions Meadow Road.
5. Items for Discussion or Vote
 - a. 922 Barber Hill Road Town Highway Access – Ogden Hunnewell attended the meeting to discuss culvert removal at 922 Barber Hill, which was required in his 2021 highway access permit. He would prefer not to remove the culvert since the area is grown up nicely and a large hemlock would need to be removed. Kevin Rice is also interested in access to Mr. Hunnewell’s pond via the culvert for fire prevention. The Selectboard will discuss with the Road Foreman and a site visit may be scheduled at a later date.
 - b. Wheel Loader Bid Award – Steve moved and Emily seconded approval of the United Construction and Forestry (John Deere Model 524P) bid, including the 7-year full machine warranty, for a total cost of \$155,223 after trade-in, and authorizing Jim to sign the bid acceptance for the town. Unanimous. Steve will notify both bidders and Ben will mark the request for proposal as “awarded” on the state bidding site.
 - c. FY 2025 Budget Discussion – Using 60% of the available fund balance results in a 4.87% increase in taxes (compared to 5.66% last year). All other figures are nearly final. Once the social services petitions are confirmed, the budget will be ready for final approval.

- d. Appointment of Public Officers
 - i. Town Health Officer – Ben moved and Emily seconded that Dr. Hugh Hermann, M.D. be recommended to the Vermont Department of Health for re-appointment as Town Health Officer for a 3-year term expiring January 31, 2027. Unanimous. Ben will prepare the necessary paperwork for Dr. Hermann to sign and submit to the state.
 - ii. Zoning Board of Adjustment – Ben moved and Emily seconded the appointment of Lindsay Hyde to the Zoning Board of Adjustment, to complete the 3-year term expiring March 31, 2024. Unanimous.
- e. FY 2023 Town Report Deliverables – Ben circulated the documents for any final editing. All to be finalized and approved at the January 17 meeting.
- f. 2024 BRIC Program Grant Application – The town has no suitable shovel-ready projects. Emily suggested the Selectboard work on developing projects that can be put forward next year.
- g. Warrants – Ben moved and Emily seconded approval for payment of the following warrants:

24058	9,260.99	Payroll
24059	22,788.63	A/P

Unanimous. John will confirm the Vermont Standard charge with Ellen.
- h. Approval of December 20, 2023 Minutes – Ben moved and John seconded approval December 20, 2023 meeting minutes as presented. Unanimous.
- 6. Meeting Wrap Up
 - a. Correspondence – Town Highway 24 relocation, Peace Field Farm litigation, Mountain Views School Board request to present at the January 17 meeting, Town Hall energy assessment, VLCT member list update were discussed.
 - b. Review of Assignments – Ben to email with Karen re: delinquent taxes, Dr. Hermann re: appointment paperwork, mark loader bid as awarded on the state website, update VLCT membership; Steve to notify loader bidders of award; John to confirm School Board attendance with Bob Coates, confirm VT Standard invoice with Ellen, send listserv message re: overnight parking at the Brick Building.
 - c. Agenda for Next Meeting – School Board presentation at 7 PM, Town Garage boiler replacement, Barber Hill Road culvert removal, Wild Apple culvert RFP, finalize FY 2025 budget and FY 2023 town report deliverables, discuss disbanding of defunct Selectboard committees.
- 7. Adjournment – Ben moved and Steve seconded that the meeting be adjourned. Unanimous. The meeting was adjourned at 9:12 pm.
